**No Objection Letter: United Oil U Star Lube Star Marine 570 (BN70, SAE50)**

Dear Sir/Madam,

The **United Oil** cylinder lubricating oil **U Star Lube Star Marine 570** blended with **API group I base oil** has satisfactorily completed a lube oil quality survey (LOQuS) test. Based upon the results of the test and a previous satisfactorily completed 4000 hours validation test of a lubricating oil mixed with the identical additive package, treat rate and base oil group on-board the vessel **SL Champion (IMO 9106170)** fitted with a **Sulzer 9RTA84C** engine, Winterthur Gas & Diesel (WinGD) has no objection to the use of the mentioned lubricating oil in Wärtsilä® RTA, RT-flex and W-X engines as well as in Sulzer 2-stroke engines operating on fuels with a sulphur content in the range of **0.5<S<2.5% w/w**.

**United Oil** assumes all responsibility for the performance of the mentioned lubricating oil in service in the mentioned engine types to the exclusion of any liability of WinGD and companies belonging to the Wärtsilä group. **United Oil** along with other possible manufacturers and distributors of the mentioned lubricating oil shall indemnify, compensate and hold harmless WinGD and companies belonging to the Wärtsilä group from and against any claims, damages and losses caused by the mentioned lubricating oil. The application must comply with WinGD's and Wärtsilä's lubricating oil requirements and recommendations. Lubricants should be used as recommended in the Wärtsilä Technical Bulletins RT-138, RT-161 and other manuals.

**United Oil** undertakes to inform the undersigned representatives of any subsequent changes in the formulation of the mentioned lubricating oil. This **No Objection Letter is valid for a period of two years** from the date of issue and may be re-issued and extended if satisfactory field performance is proven during the two year period.

Yours sincerely,
